NEW E-ZPASS SM SITE TUTORIAL

Manage Your Payment Methods

The screenshot shows the 'Make a Payment' page on the Indiana Toll Road website. The page header includes the logo and navigation links: ITGCC, PURCHASE E-ZPASS, E-ZPASS MANAGEMENT (with a dropdown arrow), MY ACCOUNT, REPORTS, and a search icon. The user's name, EMP HALEEMA BURNETT, is displayed in the top right. Below the header, an account summary bar shows: Current Balance: \$12.01, Low Balance: \$2.50, Replenishment: \$10.00, and Account Number. The breadcrumb trail is Home > My Profile > Process Payment. A left-hand menu lists options: Make a Payment, Activate E-ZPass, Download Mounting Instructions, Request Mounting Strips, Dispute Toll Charges, General Inquiry, and File Vehicle Damage Claim. The main content area is titled 'Make a Payment' and is divided into two steps. Step 1, 'Choose Payment Method', features a table with columns for Card Type, Payment Method, Last 4 Digits, and Exp. Date. The table contains three rows: 'Payment Method' with last 4 digits '1234' and exp. date '06/2020', 'Visa' with last 4 digits '2345' and exp. date '05/2024', and 'New Payment Method' with last 4 digits 'xxxx' and exp. date '/'. Step 2, 'Enter Payment Amount (min. \$15)', includes a text input field with a dollar sign icon. At the bottom of the form are two buttons: 'MAKE PAYMENT' and 'CANCEL'. A blue arrow points to the 'Make a Payment' option in the E-ZPASS MANAGEMENT dropdown menu.

Card Type	Payment Method	Last 4 Digits	Exp. Date
